

### *BLACK DIAMOND LINES*

*Black Diamond Lines is a model railroad club established in 2000. Its members have varying degrees of expertise in modeling and railroading. The club builds individual modules to club specifications to be attached together as one unit when taken to shows.*

*The club usually attends from two to four shows a year, and have their layout on display for the public to enjoy. Meetings are held on the first Saturday of each month to plan future events.*

*Usually held at Ross School Administration Building at Ross, Ohio where the club has rented two rooms to work on layout and set up to run and enjoy the layout.*
