

TRAINS NEED HELP!

We are the Queen City HiRailers, a group of train enthusiasts who have provided the Tri-State with quality model railroad entertainment for many years. We have lost our clubhouse venue and must find a new space to continue our work and community outreach. Minimum needed is 3500 sq. ft. in the Greater Cincinnati area. Any help or possible leads would be greatly appreciated.

Please call Carl Benson at 513-505-6597
