

On August 30, 2026 the LM&M RR is running a rare mileage excursion. They have graciously given 20 tickets for the Cincinnati Chapter RR Historical Society to sell on this trip. The twenty tickets that we sell will be collected by the CCNRHS and the total proceeds of the sales will be forwarded to the Whitewater Valley RR for the Flood Recovery. We will be in the coach cars. Donations are also appreciated. If all tickets sold that would be \$800 for the recovery. Thank you in advance.

Join us for a full day of fun!

Join us for this Rare Mileage experience on the LM&M Railroad. This trip will operate over parts of the railroad rarely seen by passenger trains. After departing Lebanon, we will operate south to the end of the line in Mason, then reverse direction and travel to Monroe (Garver Rd). Total trip length will be approximately 4 hrs. Concessions and restrooms will be available on board the train. This is a unique opportunity to enjoy an extended, relaxing ride through the countryside.
