

This is the first time upper modules were set up with trains actually in operation during the rewiring.

Date is July 22, 2026.

Men involved in working on the trains at the City of Hamilton
The Queen City HiRailers were asked to see if we could
resurrect the old train layout

Eric Pohlman, Hamilton City Councilman
Neil Ferdelman, Former Hamilton City Police Chief
Robert Wilmesherr, Queen City HiRailers President
Dave Roth, Queen City HiRailers Vice President
Jerome Romine, Ross Rails President
Carl Benson
Frank Kammer,
Steven Sininger
Tom Buchman
John Derrenkamp
Patrick Dole
Walter Eidam
James Schababerle
Michael Schmidt
Tyler Urton
John (Worm) Woolum
